Medard de Noblat

Depuis 1836

Crée pour la table des univers actuels et raffinés, entre rigueur et exubérance, pour un quotidien extra-ordinaire.

Originaire de Limoges, Médard de Noblat perpétue un savoir-faire, une tradition de qualité depuis 1836.

Créativité et recherche d'excellence sont les fondements de la marque qui revisite la porcelaine de Limoges par des formes et des dessins modernisés.

Les formes, aux lignes fines et élégantes dégagent une personnalité créant des tables expressives au fort pouvoir de séduction.

Aussi précis que stylés, les décors qui les habillent les subliment par des teintes éclatantes.

Pensé dans les moindres détails, chaque décor nous conte une histoire avec une élégance, une fraîcheur et une féminité qui caractérisent le style de la marque.

Ce sont ces histoires que nous vous invitons à découvrir au travers de cette nouvelle édition du catalogue Médard de Noblat qui nous l'espérons fera naître en vous de nouvelles émotions et contribuera à rendre votre quotidien extraordinaire.

Has created an up-to-date and refined table universe, which can be defined between rigor and exuberance on a day to day basis.

Médard de Noblat implanted in Sauviat sur Vige close to Limoges, has perpetuated tradition and know-how since 1836.

Creativity and research for excellence remains the foundation of the brand that has known how to re-invent itself: reset the tone into the swing of 21st century for Limoges porcelain through modernised shapes and patterns.

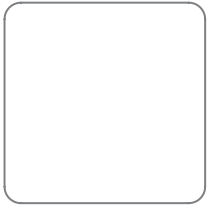

The shapes are elegant, fine with a good cut/outling. Endowed with bright shades and colours, the decoration is very rich.

Each decoration tells us a story that has been thought out without forgetting the least detail. Feminine and fresh but at the same time rigour that characterises the style of the brand.

Nothing has been left to be desired: daring colours and originality, but at the same time respecting a background of tradition and codes in Limoges porcelain with fineness and a fine quality that is irreproachable.

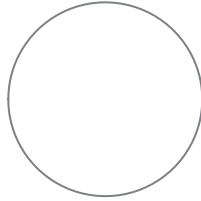

Always on the lookout concerning the tendency evolution and preoccupied to satisfy table amateurs, we are very pleased to present you with the new catalog for Médard de Noblat.
